

Introduce More People To Our Life-Changing Programs

Help us spread the word about our mission through a small “Lunch and Learn” type gathering. You provide the guest list, we do all the rest.

Responsibilities:

- Help us reach more people about the critical work we are doing for vulnerable older adults
- Think through your social circles who share your desire to create a better world - friends, family, church group, book club, etc.
- Provide us with a list of 10-15 people who you think would be interested in learning more about Family Eldercare
- Contact the list to let them know that we will be sending them an invitation to a Friend-Raiser (not a fundraiser) located at one of our housing communities and that you will be there also
- Attend the Friend-Raiser and say a few words of welcome at the beginning of the program

Requirements:

- Meet with us beforehand to go over the details
